**Subject:** URGENT: FW: Five people hospitalized after chemical truck explosion in Santa Paula - LA Times

Can you please quickly try to determine if this facility is subject to NPDES regulation and let me and Jane know asap? Thanks

Santa Clara Industrial Wastewater Treatment in Santa Paula on CA 126 experienced a catastrophic explosion in a vacuum truck thought to contain organic peroxides.

Fire is burning and there were injuries. We will send START to ground truth this event and may send an OSC later this morning.
